VAUGHAN PROFESSIONAL FIREFIGHTERS ASSOCIATION

ENDORSES

MARIO G.RACCO IN UPCOMING PROVINCIAL ELECTION

VAUGHAN - The Vaughan Professional Firefighters Association has unanimously endorsed Liberal Candidate Mario G. Racco in the riding of Thornhill.

“Our executive membership overwhelmingly endorsed Mario – not only as someone who has supported us without fail, but as a person who played a key role in advocating for presumptive legislation for all firefighters across Ontario,” said Bob Spragg, President of the Vaughan Professional Firefighters Association. “It was Mario’s comprehensive reports that lead to the legislation for our membership.”

On September 10, 2007, Vaughan Professional Firefighters chose to endorse Mario G. Racco.

On June 15th, at their annual convention in Kingston, the Ontario Professional Firefighters Association endorsed Premier Dalton McGuinty and encouraged local firefighter associations to endorse whomever they felt will best address their concerns.

“Mario G. Racco has demonstrated his commitment, support and respect for our membership,” said Spragg.

In addition to passing presumptive legislation (Bill 221), the Liberal government created a monument to fallen firefighters on the grounds of the Ontario Legislature, developed a special provincial tribute to the families of fallen firefighters, and allowed the Ontario Professional Firefighters Union to have input in the selection of a new Ontario fire marshal.

“I am honoured to be endorsed by the Vaughan Professional Firefighters Association,” said Mario G. Racco, incumbent Liberal Candidate in Thornhill. “Everyday firefighters and their families make sacrifices to keep Ontarians safe and it is important that we work to support and honour their bravery and service in every way possible”
